**To meet our goals, S.A.L.T. asks all members to serve on a committee: Please select your preference:**

- Consumer College Seminar
- Public Relations
- Consumer Protection
- Membership

Note: According to S.A.L.T. by-laws, members must attend 50% of meetings each year to maintain membership status (a business year runs from July 1-June 30). If a member fails to maintain attendance, the membership committee may allow the member to maintain his/her status if good excuses for absences are shown, in the determination of that committee. The committee may also recommend to the Council that the member be removed. Members may terminate their membership by written resignation. There are no dues for S.A.L.T.
